Internal Audit Report for Castle Hedingham Parish Council

I am pleased to report that I have completed my Internal Audit for the Parish Council for the period 1st April 2019 to 31st March 2020. The Audit was carried out on Monday 24th and Friday 28th August 2020.

Members should be aware that my work cannot be relied upon to identify the occasional omission or insignificant error, nor to disclose breaches of trust or statute, neglect or fraud which may have taken place and which are the responsibility of the Members of the Council to guard against.

I would like it noted that the totally electronic means of auditing are not satisfactory. I had hoped that as this is my first year as your Internal Auditor, I would have been able to meet with your Clerk to discuss this year's audit in more detail and the scope of the audit for the next two years. However, because of the restrictions laid down by HM Government during the Coronavirus Covid-19 Pandemic, this year it has not been possible to have a face-to-face meeting, nor to transport paper documents. I would highly recommend that this is done at the Audit for the 2020/2021 year.

Members will be pleased to know that I did not find anything major in my audit to report and that I found the record keeping to be of a very good standard. Due to the above-mentioned restrictions, there are a higher than usual number of unknowns in the report but these have been noted for further investigation in the 2020/2021 audit.

I would like to record my appreciation to the Clerk of the Council, Claire Waters for her invaluable assistance during the Internal Audit.
